On Wednesday the ferry arrived at Hull early in the morning. Then we went to our bus and headed to York. At 10 o'clock we did a guided tour and visited the York Minster. For lunch we ate rice and vegetables at a Thai restaurant. Before we went to the castle museum "Jorvik" we had a lot of free time to buy souvenirs or other things. In the evening our host families came to get to know us. They were very friendly.

## **Thursday, 12<sup>th</sup> July**

On Thursday we visited the Milthorpe school. A few students gave their presentation about Offenburg or the black forest. After our presentations we helped the students to do their exercises. For lunch we ate at the cafeteria in the school. The school was the opposite of the German schools. It was very dirty and lots of things were broken! But the students were mostly friendly.

In the afternoon we went into the city and got a questionnaire. We asked persons about the history of York.

For one Pound from every student we took a little train to a visit of the railway museum.

In the evening we came back to our host families.
